### **General**

By using this product in any way whatsoever you agree to abide by these restrictions.

### **Copyright is Reserved**

This is a commercial product protected under a copyright. Any use outside of those permitted by this End User License Agreement is strictly prohibited.

### **Granted License**

A license is granted to an individual who is contemplating an outpatient surgical procedure to individually access the document directly from the original web site on a single copy basis. Remote storage, remote retrieval, photocopying, re-transmission, distribution of unfilled copies, or any other use not expressly given here is strictly prohibited.

For the purpose of facilitating a single episode of care for each patient, no restriction is made on photocopying, transmission by facsimile, or mailing of the completed questionnaire.

### **My Best Wishes**

As a Board-Certified Anesthesiologist, I hope that this questionnaire helps you to have a successful and uneventful procedure or surgery.
